***A reminder email will be sent out the Friday before your scheduled week with the quantities of fruit (approx. 20 lbs.) or nut free non-perishable item (approx. 11).**

In order to provide a nutritious snack for all our children, we ask parents to bring in fresh fruit for the entire school. You will be asked once per year per child. If your assigned week is inconvenient, please feel free to switch dates with another parent. You can bring the items in on the first day your child attends school for the week (e.g. if your child does not attend school on Mondays please bring it in on Tuesday or Wednesday). Thank you for your help!
